Organization(s)	
Total cost of program (For the duration of WRF funding)	
Total funds requested from WRF (\$50,000 maximum per year of funding)	
Total matching funds from institution (For the duration of WRF funding)	
Total matching funds from other sources (For the duration of WRF funding)	
Anticipated start date	
Duration of funding	

Statement of Purpose and Impact
Please provide a brief summary of the program and its intended impact. <i>(One paragraph)</i>

Problem Statement

Outline the problem that this program is seeking to address. Frame your response in the context of specific needs or gaps that you have identified, which are not served by other programs that already exist. *(Half a page)*

Program Context

Describe the institutional, regional, and global context within which the program will be developed. What institutional strengths will contribute to the successful execution of the program? *(Half a page)*

Program Description

Please provide details of all components of the program that you are seeking to develop. Include information about how the program will be administered and plans for sustainability. (2 pages)

Program Description continued

Final Program Outcomes

Describe specific and tangible outcomes that you expect to achieve at the end of the WRF funding period. (*One page*) Please include:

- Educational and training outcomes – Student and scholar training related to research, career development, entrepreneurship, etc.
- Diversity, equity, and inclusion outcomes – Impact of program on fostering a diverse and equitable innovation ecosystem
- Impact on local ecosystem – How will the program promote a culture of entrepreneurship in STEM and/or lower the barriers to participation in research

Institutional and other commitments

Describe the institutional and any other resources that will contribute to success of the program. *(Half a page)*

Budget

Please provide a budget for the program. Include information about the projected budget by program area and by year. *(Half a page)*

Additional Information

Please provide any additional information that may be helpful in WRF's evaluation of your program. If separate documents are being submitted, please list the documents here. *(Half a page)*
